

MARILYN MEYERS

DANCE CONNECTIONS CLUB

Sokol is located on the southeast quadrant of Greenville and Walnut Hill, east of Central Expressway. The facility itself is not visible from any direction. If you are traveling east on Walnut Hill, there is an entrance on your right just before you get to the convenience store. Once you have crested the hill of the entrance, Sokol will be visible. There is also an entrance off Greenville, next to Callahan's Nursery.

There are a few **House Rules** that we are asked to observe:

You are welcome to bring snacks for your table. There are no dietary restrictions at Sokol.

Water and ice are not provided, but are available from the bar for \$2/pitcher.

Due to Texas liquor laws, you may NOT BYOB when we dance at this location, but you may purchase drinks from their bar.

Thank you, and we look forward to seeing you there.
